

IRP – International Foundation for Research
in Paraplegia invites applications and nominations for the

IRP Schellenberg Research Prize 2020

The IRP Schellenberg Research Prize will be awarded on the basis of scientific merit to recognize recent achievements in the cellular, molecular and clinical aspects of **spinal cord development, plasticity and regeneration following lesions**.

Eligible for the Prize are young but established group leaders with outstanding achievements in experimental or clinical research related to spinal cord injury and repair.

The Prize sum of **100'000 Swiss Francs** is to be used for research purposes (personnel, equipment or supplies) and will be handed over by IRP to the winner at the award ceremony.

Applications should include:

- 1) Description of his/her accomplishments in spinal cord research (max. 4 pages)
- 2) Reprints or preprints of relevant publications
- 3) Curriculum vitae and list of all publications over the last 5 years.

Deadline for applications and nominations : **October 31, 2019**

Please use the relevant form on our website **www.irp.ch** to submit your application or nomination, where further information can be found, including the IRP Schellenberg Research Prize regulations.
